

Large walk-behind scrubber dryers - easy cleaning of all kinds of floors

Variable pad pressure makes it possible to adjust to your cleaning needs. For more dirty areas just add more pad pressure.

A big tank capacity and a longer battery run time makes it possible to clean for a longer time.

You will find it ideally suitable for scrubbing and drying in tough and dirty environments such as building contractors and industrial environments.

- Easy to use and service
- Optimal suction power
- Easy to manouvre and transport
- Heavy duty aluminium squeegee assembly
- Ergonomic design
- Extra set of squeegee blades on board
- Variable pad/brush pressure

With this large walk-behind scrubber dryer you can easily clean floors in tough and dirty environments.
