

**SCRUBBING**

**WET MOP**

# IMPROVED PRODUCTIVITY

Traditional wet mops are reliable cleaning tools, but picking up stuck-on debris often requires a separate tool and interrupts the cleaning routine. The Scrubbing Wet Mop features an integrated scrubbing headband that removes stuck-on messes faster without interrupting the mopping process.

## INTEGRATED SCRUBBING HEADBAND

Removes stuck-on debris 2x faster than a traditional Rubbermaid Commercial Products wet mop.

## UNIVERSAL SCRUBBING HEADBAND

Compatible with side-loading Invader® and clamp-style Gripper® handles.

## DURABLE CONSTRUCTION

Double-sided and securely sewn-in scrubbing headband lasts the lifetime of the mop.

## SAFE & EFFECTIVE

Designed for effective scrubbing without scratching on a variety of floor types, including laminate, linoleum, vinyl, and light and dark hardwood.
